FWJ1988

Inspired by an unforgettable Olympic underdog story, the FWJ1988 "Cool Runnings" Sweater celebrates Jamaica's historic debut in the 1988 Winter Games. It blends a heavyweight jacquard knit & standout style. Built for speed, heart, & hustle, it brings warmth, weight, & a dose of offbeat cool to any lineup.

Crafted from 12 oz jacquard knit made with 100% recycled materials and GRS certified, it's finished with a flat-knit rib collar, cuffs, & waistband for a clean, structured fit. Shrinkage-controlled with a tear-away label, it's built for comfort—on and off the course.

AND UNDYED

Textile waste is the start, not the end, for Fairweather Johnson. We collect post-industrial and post-consumer waste, sort it by color, chop it into pieces, and blend it to create recycled yarn without dyeing or excessive water use. The yarn is then knitted into the fabrics in our apparel collection. Fairweather Johnson offers a sustainable, closed-loop production solution.
